Explanation - These have not been edited.

--Changes "provisional" to "apprentice" -- in light of the National Association of Insurance Commissioners' use of "apprentice" in its draft model act.

--Deletes requirement for insurance companies' employees to be licensed (p 3) - title line 6

--Deletes confusing language on page 7 about process for apprentice to become full-fledged adjuster

--Officially provides for reciprocity for adjusters (new subsection after line 24)

--p. 7 lines 15-17 -- Provides exception to out-of-state or in-state adjusters who have licenses or are working for a company
